

FLOW BRO'S GAS INSTALLATION

Fuel Your Home, The Bro Way.

BECAUSE LIFE'S TOO SHORT FOR COLD SHOWERS, HALF-COOKED DINNERS, AND COLD BRAAIS.

Need gas installed? We're the bros who'll turn "Oh no" into "Let's go". Whether it's a fancy new gas stove, a geyser to fight winter mornings, a cosy fireplace for Netflix nights, or a gas braai to level up your weekend gatherings - we've got the skills, the tools, and the good looks.

OUR SERVICES - AKA WHAT WE DO BEST

NEW GAS INSTALLATIONS

Pipelines, stoves, geysers, fireplaces, and gas braais - all installed without blowing anything up (we double pinky promise)

GAS APPLIANCE HOOK-UPS

We'll connect your gas stove like it's auditioning for MasterChef and make sure your braai is always ready to impress the 3 neighbours.

GAS LEAK DETECTION & REPAIRS

If there's a whiff of trouble, we'll sniff it out (don't worry, we use proper tools, not just our noses) and fix it fast.

GAS LINE RELOCATIONS & RENOVATIONS

Kitchen makeover? Patio Upgrade? We'll move your gas line faster than you can say "Pass me the spanner"

COMPLIANCE CHECKS & COC ISSUANCE

Every job comes with compliant quality inspector peace of mind. Fully legal, totally compliant and zero funny business.

BENEFITS OF SWITCHING TO GAS

01

LOWER ENERGY BILLS

Gas is more cost-effective than electricity for heating & cooking

02

RELIABLE DURING LOAD-SHEDDING

Keep your home functional even when the power's out

03

ECO-FRIENDLY OPTION

Lower carbon emissions than traditional electric heating

04

FASTER COOKING & HEATING

Instant heat control for stoves and water heaters
